Sub: Proposal regarding organizing "Teachers-Students Exchange Programmes"
under MoU

Sir,

Our colleges have signed a Memorandum of Understanding (MoU) and I hope this will enable us to create a mutually beneficial relationship between the Colleges with regard to academic purposes. In order to achieve this purpose, for this session, I propose to organize few lectures under **Teachers-Students Exchange Programmes with the Departments of Mathematics and Bengali** of your college at the end of the academic session. These lectures would be beneficial to the students of both our colleges with regard to their preparation for the end semester examination. The concerned Departments can hold meeting and finalize the details of the lectures.

I am looking forward to a positive response from your end.

Thanking you,

Regards,
