**Sub.: Request to allow Student to visit Department of Sericulture**

Sir,

In connection with the newly implemented Zoology syllabus in semester system of West Bengal State University, the students of 3<sup>rd</sup> semester are encouraged to visit an institution of eminence to enhance their knowledge on Sericulture as a part of their "Skill enhancement curriculum".

In this regard, I would like to request you to allow our student of semester-III to visit your sericulture department on 2<sup>nd</sup> December, 2019 so that they can get first hand exposure to the means and methods of silk-moth rearing.

Looking forward to your cooperation.

With regards,

Principal  
Taki Government College  
Taki, Hasnabad.

## TO WHOM IT MAY CONCERN

In connection with the newly implemented Skill Enhancement Course (SEC) in sericulture as a part of CBCS curriculum in Zoology under WBSU, a team of 3 semester students of Taki Government College visited Sericulture department of Dinabandhu Andrews College, Kolkata on 02.12.2019 along with three faculty members from the department. The students were enchanted to observe silk worm cocoons, method of reeling silk thread, Chandraki and other equipments related with rearing of silk worm and weaving of silk. The students were enlightened by the lucid lecture on silkworm rearing given by the students and teachers of the Sericulture Department.

We express our deepest thanks to the Dr. Sanjib Kumar Das, HOD of Department of Zoology along with three Faculty Members in this regard.
